

I WANT TO SELL MY BOOK

Version 1.6 { 27 August 2024 }

This guide will give you information on selling your book through the burble book shop. It also includes documentation that needs to be complete in order to list your book with Burble.

1

I WANT TO SELL MY BOOK

Once you have done an initial print run of your book with Burble you will be able to sell it on the Burble on-line shop. If your book is sold through the online shop we will print one copy of the book on demand, dispatch it and pay profits on sales to you on a monthly basis.

2

HOW IT WORKS

YOUR SELLING PRICE

Decide on your Selling Price (also known as your list price).

This is the cost of printing one book plus the profit you choose to add.

OUR FEES

We charge a fee of 31% of the profit figure. This fee is only charged if a book is sold.

No sale, no fee.

EXAMPLE (incl VAT)

Selling price	R199
Less cost to print one book	-R99
Profit	R100
Less fee (31% of profit)	-R31
Your portion	R69

This example is for illustration, prices will vary.

3 PAYMENT

Each month we count your sales and pay you the profit less fees and printing costs. Payment is by EFT into the bank account details you entered when completing our documentation.

4 HOW DO I CALCULATE MY PRINTING COST

Whenever your book is sold through the online book shop we will print it on demand (even 1 copy). To calculate your printing cost you can use our pricing calculator on the self publishing page <http://www.burble.co.za/self-publish>. We will charge you the same unit cost as we would normally charge for 10 copies.

For example, using the pricing calculator 10 books of 250 pages for the book size 210 x 148mm will cost R99.65 each, inclusive of VAT.

The contrast between cream paper and black text is much more comfortable on the eye.

The minimum order is 10 copies. Volume discounting will apply on quantities of 25, 50, 100 and 250. For 500+ copies, contact us for a bespoke quote.

Whenever your book with these specifications is sold through the online store we will print that copy and charge you R99.65 for the cost of the printing.
